Re: Docket No. AB-33 (Sub-No. 183); Salt Lake City Corporation – Adverse
Abandonment of Rail Line in Salt Lake City, Utah

Dear Mr. Williams:

This refers to UP's Protest in the above proceeding.

At p. 2, fn 1 of the Memorandum in Support of Protest, UP stated that it intended to restart train service on the above line on or shortly after December 26, 2001, and that it would advise the Board by letter of the date on which train service actually resumed.

This letter is to advise the Board that train service was resumed on the above line on December 26, 2001. Train operations consisted of test trains (primarily to assure proper operation of grade crossing signals) until Saturday, January 5, 2002. Freight train service was resumed on January 5.

An additional ten (10) copies of this letter are enclosed for the Board's files.

Very truly yours,

Robert T. Opal
